Just steps from the beach and facing Sakatia Island, it offers spacious bungalows, a world-class spa, and breathtaking sunsets. ZIMBABWE

Next, touch down in Victoria Falls, one of the Seven Natural Wonders of the World. Known locally as Mosi-oa-Tunya — “The Smoke that Thunders” — the falls are at their fullest this time of year, sending spray into the sky that can be seen for miles.

VICTORIA FALLS, ZIMBABWE

DAY 8-9

Begin with a guided tour of Victoria Falls, where your expert guide reveals the stories and secrets of one of the world's greatest natural wonders. Feel the spray on your skin as you walk along viewpoints, each offering a new angle on the thundering cascade. Pause midday for a scenic lunch perched high above the Zambezi Gorge, with sweeping views of the river below. As the day softens, step aboard a private sunset cruise, gliding along the Zambezi's gentle waters while the sky ignites in color — the perfect prelude to an unforgettable evening.

Evenings of Flavor & Celebration

One highlight is an evening at The Boma – Dinner & Drum Show, where traditional Zimbabwean dishes, music, and interactive drumming create a lively celebration under the stars.

On our second night, guests have the freedom to choose from a selection of local restaurants, adding variety and a personal touch to the experience.

The Victoria Falls Hotel, Harare

The Victoria Falls Hotel is a grand Edwardian-style landmark built in 1904, perched above the Batoka Gorge with sweeping views of the Victoria Falls Bridge and the misty cascade beyond. Surrounded by lush gardens, it offers elegant rooms, fine dining, and the iconic tradition of afternoon tea on the terrace. A timeless blend of colonial charm and modern luxury, it's just a short walk from one of the world's greatest natural wonders.

Volcanoes National Park – Rwanda

During the gorilla trekking experience in Rwanda, the group will be split across different lodges, though everyone will come together for the gorilla trekking and the Dian Fossey experience.

Between the chosen lodges, we will deliver a consistently high level of service and comfort, ensuring a seamless guest experience, with the real focus on the unforgettable gorilla or Golden Monkey trekking.

We have secured exclusive use of the following properties. However, the actual lodge allocation will depend on the final number of guests:

- Sabyinyo Silverback Lodge
- Amakoro Songa Lodge
- Amarembo by Touch Down
- Virunga Lodge

Our Private Jet

To deliver a seamless experience we have chartered a modern A321 aircraft to connect the various countries on our itinerary. This will ensure easy and direct connections between the destinations visited on a continent where the infrastructure can be limited and air schedules frequently change.

Our aircraft offers all lie-flat seats in a two-by-two configuration ensuring all guests will either be seated at the window or the aisle. Premium catering including an open bar will make time onboard a real treat and the aircraft and crew will soon become a familiar part of your Africa adventure.
